

On-line Tutorial for Integrated Algebra I & Accelerated Integrated Algebra I

(For students who did **NOT** sign up in September '09.)

This tutorial is self-paced and interactive. It contains explanations, quizzes, assignments and test. There is “no” teacher to monitor your effort. This has been developed to help support the learning in the math classroom.

Sign up begins now and stops January 20th. The course will be available to you from January 29th until May 26, 2010.

Please ask your teacher for a form. Take home and have parents complete, sign and send in cash or check for \$10.00 and return to Mrs. Wach’s office (Building C, room 10.119) by January 20th!
